Verse:

We gather together, in abundance we bring
All that You gave us as a joyful offering;
Your Spirit is among us, prompting us to sing
A thankful song of praise unto our King.

Chorus:

You give us hope, You give us faith,
You give us love beyond all measure,
You give us grace for the moment,
Abundant life to treasure.
You provide every blessing,
You supply every pleasure,
You are the Lord,
You are the Christ,
The Giver of all, indeed.

(Repeat Verse and Chorus in 2-Part)
